COVER LETTER

Dear Hiring Manager,

I am pleased to be applying for the Web Developer position. My extensive experience with developing websites using HTML5, CSS3, Bootstrap, JavaScript. In addition, my background with practicing in large development teams has given me the skills to adjust to the changing dynamics and processes of those environments while meeting scheduled milestones and deliverables.

I am a proven team player, which is another important requirement for this position.

Thank you for taking the time to review my credentials and accomplishments. I am very passionate about being a competent and contributing team player, and I hope to have the opportunity to discuss my examples in greater detail with you. I look forward to answering your questions and learning more about this position and your development teams.

Sincerely

Kuljit Singh Dhaliwal
